

## RÜMEYSA DILAN GÖKÇE

Software Developer

Email: rgokcee2@hotmail.com | GitHub: github.com/rgkce

LinkedIn: linkedin.com/in/rümeysa-gökçe | Medium: medium.com/@rumeysagokce

### PROFILE

- Computer Engineer with experience in mobile development and data projects.
- Strong communication, leadership, and teamwork skills gained through community leadership roles.
- Interested in software development, mobile technologies, AI, and data-oriented solutions.

### EDUCATION

Süleyman Demirel University — Computer Engineering (2021–2025)

### CERTIFICATES

- Gebze Teknik Üniversitesi - Advanced Cyber Security (2022)
- Gebze Teknik Üniversitesi- Applied Artificial Intelligence with Python (2022)
- Codemaster (2024)
- Winds of Change (2024)

### PROFESSIONAL EXPERIENCE

#### Software Intern — Türkiye Futbol Federasyonu (2024)

- Worked on a mobile project using Flutter.
- Contributed to a web-based dashboard project.
- Gained experience in API integration and UI development.

#### Hardware Intern — Isparta Siber Güvenlik Uygulama ve Araştırma Merkezi (2023)

- Completed a 20-day hardware-focused internship.
- Worked with cybersecurity-related hardware systems.

### PROJECTS

#### DietBuddy (2024–2025)

- Graduation project: AI-supported mobile health and diet tracking app built with Flutter.
- Collaborated with a teammate, gaining experience in task distribution and project planning.

#### Obstacle Avoiding Car (2024)

- Developed using Arduino Uno and ultrasonic sensors.
- Added Bluetooth module for remote control.

### ORGANIZATIONS & LEADERSHIP

- Organizer — GDSC SDU DevFest (2023)
- Organizing Committee — PIBEX (2024), PIBEX 2 (2024)
- President — University Computer Society (1 year)

### LANGUAGES

- Turkish — Native
- English — Intermediate

### PROGRAMMING LANGUAGES

- Dart (Flutter), Python, JavaScript, C, C++, SQL

### FRAMEWORKS & TOOLS

- Flutter, Firebase, Node.js (temel düzey), Arduino, Git / GitHub, Postman, REST API
