

ZELİHA AYÇA AYDEMİR

İstanbul, Türkiye
+905070425390 | aydemirz22@itu.edu.tr

EDUCATION

Sep 2022 – 2027 **Istanbul Technical University**, Bachelor of Science in **Astronautical Engineering** (4th Year)

EXPERIENCE

Jun 2025 – Aug 2025 **Baykar Technologies, Intern** in Engine Technologies
Conducted structural analysis with **ANSYS**

PROJECTS

Nov 2024 – Present Heat Pipe Design for Aerospace Applications (**Research Project**)
Research on heat pipe technology for efficient thermal management in aerospace systems.

Jul 2023 – Jul 2024 Control Team Leader - ITU TVC ROCKET (**Student Project Team**)
Led control team in designing control systems for a student rocket project.

Jan 2023 – Jul 2023 Control Team Member - ITU TVC ROCKET (Student Project Team)
Developed control algorithms and ran stability/performance simulations using **MATLAB & Simulink**.

Nov 2022 – Jan 2023 Flow Team Member - ITU TVC ROCKET (Student Project Team)
Assisted in analyzing aerodynamics and fluid dynamics to optimize rocket design.

ACTIVITIES

Nov 2024 – Present Theater Club – **Board Member** / Performer
Developed leadership, teamwork, public speaking, and creative problem-solving skills.

Aug 2024 **International Summer School**, Universitatea Politehnica Bucuresti, Romania
Participated in team projects and hands-on workshops on aerospace engineering
